Memorandum

To: Platt College Students Eligible for the HEERF III Emergency Student Grant

From: Dr. Julie Basler, President

Date: Thursday, July 22, 2021

Re: 1st Notification for HEERF III

Platt College has received funding established by the American Rescue Plan (ARP) to disburse \$139,481 in Higher Education Emergency Relief Funds (HEERF III) to students with *exceptional need*. Exceptional need is based on each student's Expected Family Contribution (EFC) as a result of their 2020-2021 FAFSA.

These funds are meant to help students cover expenses related to attending Platt College (e.g., tuition, housing, meals, transportation costs, health care (including mental health), or childcare) or for emergency costs that arise due to coronavirus.

Here are the next steps for eligible students to receive their portion of the money.

Step 1: Before money may be issued to eligible students, you must read the [HEERF III Emergency Student Grant webpage](#) to determine if you are eligible for the grant.

Step 2: If you believe you meet the eligibility requirements, you must complete the [Additional Impact Grant Self-Certification for 2020-21 Form](#) on or before August 1, 2021. Once your certification is complete and verified, your part of the grant will appear on your ledger and will be dispersed in accordance with certification choice.

We anticipate that the process will be completed for students by the last week of August. Please watch your Platt College email for updates regarding when the process is complete.
