# Title IX

- **Title IX regulations**
  - “The purpose of this part is to effectuate title IX of the Education Amendments of 1972... which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance...” 34 C.F.R. s. 106.1.
  - Other regulations found under 34 C.F.R. part 106.

**Athletics**

## Poll Question

- **Have you had to address any issues with discrimination in athletics within the last 5 years?**
  - Yes, dealing with lack of sports based on student interests
  - Yes, dealing with financial issues
  - Yes, dealing with other issues
  - Other

# Title IX Athletics

- **Regulations**
  - The regulations implementing Title IX contain specific provisions relating to athletic opportunities.
  - “No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, intercollegiate, club or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.” 34 C.F.R. s. 106.41(a)

# Title IX Athletics

- **Regulations– separate teams**
  - Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.
  - However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try-out for the team offered unless the sport involved is a contact sport.
  - For the purposes of this part, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball and other sports the purpose or major activity of which involves bodily contact. 34 C.F.R. s. 106.41(b)

# Title IX Athletics

- **Regulations– equal opportunity**
  - A recipient which operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. 34 C.F.R. s. 106.41(c).
  - In determining whether equal opportunities are available the Director will consider, among other factors:
    1. Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;
    2. The provision of equipment and supplies;
    3. Scheduling of games and practice time;

# Title IX Athletics

- **Regulations– equal opportunity**
  - *Equal opportunity*
  - In determining whether equal opportunities are available the Director will consider, among other factors:
    4. Travel and per diem allowance;
    5. Opportunity to receive coaching and academic tutoring;
    6. Assignment and compensation of coaches and tutors;
    7. Provision of locker rooms, practice and competitive facilities;
    8. Provision of medical and training facilities and services;
    9. Provision of housing and dining facilities and services;
    10. Publicity.

# Title IX Athletics

- The Department's Title IX regulations prohibit sex discrimination in interscholastic, intercollegiate, club, or intramural athletics offered by a recipient institution, including with respect to:
  - Student interests and abilities;
  - Athletic benefits and opportunities; **and**
  - Athletic financial assistance.

# Title IX Athletics

- **Three-part test**
  - **Under the three-part test, an institution must meet at least one of three benchmarks:**
    1. Whether participation opportunities for male and female students are provided in numbers substantially proportionate to their respective enrollments; **or**
    2. Where the members of one sex have been and are underrepresented among athletes, whether the institution can show a history and continuing practice of program expansion which is demonstrably responsive to the developing interests and abilities of the members of that sex; **or**

# Title IX Athletics

- **Three-part test**
  3. Where the members of one sex are underrepresented among athletes, and the institution cannot show a history and continuing practice of program expansion, as described above, whether it can be demonstrated that the interests and abilities of the members of that sex have been fully and effectively accommodated by the present program.

# Title IX Athletics

- **Part one– substantial proportionality**
  - Where an institution provides athletic participation opportunities for male and female students in numbers substantially proportionate to their respective full-time student enrollments, OCR will find that the institution is providing nondiscriminatory participation opportunities for individuals of both sexes.
  - This part of the test establishes a safe harbor for institutions that have distributed athletic opportunities in numbers substantially proportionate to the gender composition of their student bodies.

# Title IX Athletics

## Part one– substantial proportionality

- Analysis:
  - First, determine the number of participation opportunities afforded to male and female athletes in the school's athletic program.
  - Second, determine whether athletic opportunities are substantially proportionate.
  - OCR recognizes that exact proportionality is not required in order to satisfy this test. Disparities are acceptable where they result from modest fluctuations in enrollment patterns.

# Title IX Athletics

- **Part two– history of program expansion**
  - OCR finds compliance where an institution can show a history and continuing practice of program expansion which is demonstrably responsive to the developing interests and abilities of the members of that sex.
  - This test is satisfied where an institution is continually expanding athletic opportunities in an ongoing effort to meet the needs of the underrepresented gender, and persists in this approach as interest and ability levels in its student body rise.

# Title IX Athletics

- **Part two— history of program expansion**
  - OCR will review the entire history of the athletic program, focusing on the participation opportunities provided for the underrepresented sex.
  - To meet the requirements, it is not necessary to show annual or constant efforts, but only continuing efforts of program expansion.

# Title IX Athletics

- **Part three– accommodating interests/abilities**
  - This part considers whether there are concrete and viable interests among the underrepresented sex that should be accommodated.
  - An institution can satisfy part three where there is evidence that the imbalance does not reflect discrimination.

# Title IX Athletics

## Part three– accommodating interests/abilities

- To ascertain whether the interests of students are being fully and effectively accommodated, OCR will consider whether there is:
  1. Is there unmet interest in a particular sport?
  2. Is there sufficient ability to sustain a team in the sport?
  3. Is there a reasonable expectation of competition for the team?
- If all of these conditions are met, the Department of Education will find that an institution has not fully and effectively accommodating the interests and abilities of the underrepresented sex.

# Title IX Athletics

- **Benefits and opportunities**
  - In determining whether an institution is providing equal opportunity in athletics, the regulations require the Department to consider, among others, the following factors (a.k.a. the “*laundry list*”):
    1. The provision of equipment and supplies;
    2. Scheduling of games and practice time;
    3. Travel and per diem allowances;
    4. Opportunity for coaching and academic tutoring;
    5. Assignment and compensation of coaches and tutors;
    6. Provision of locker rooms, and practice and competitive facilities;

# Title IX Athletics

- **Benefits and opportunities**
  - In determining whether an institution is providing equal opportunity in athletics, the regulations require the Department to consider, among others, the following factors (a.k.a. the “laundry list”):
    7. Provision of medical and training facilities and services;
    8. Housing and dining services;
    9. Publicity;
    10. Recruitment; and
    11. Support services.

# Title IX Athletics

- **Nondiscriminatory justifications**
  - Sports that require more resources because of the nature of the game (i.e., football = \$\$\$\$)
  - Special circumstances, like a surge in demand
  - Special operational expenses, such as tournaments

# Title IX Athletics

- **Scheduling**
  - OCR will evaluate the scheduling of the athletic program as a whole.
  - Five factors for consideration:
    1. The number of competitive events offered per sport
    2. The number and length of practices
    3. Time of day competitive events are scheduled
    4. Time of day practices are scheduled
    5. Number of pre-season and post-season competitive opportunities

# Title IX Athletics

- **Coaching**
  - Three factors to compare:
    - Availability of coaches and volunteer assistants
    - Assignment of coaches
    - Compensation
  - Coaching equivalency is evaluated as a whole and not by comparing the boys' and girls' coaches in each sport.

# Title IX Athletics

- **Locker rooms and facilities**
  - Compliance factors for locker room, practice, and competition facilities:
    - The quality and availability of the facilities provided for practice and competitive events;
    - Exclusivity of use of facilities for practice and competitive events;
    - Availability of locker rooms;
    - Quality of locker rooms;
    - Maintenance of practice and competitive facilities; **and**
    - Preparation of facilities for practice and competitive events.

  - Yes, dealing with harassment
  - Yes, dealing with discrimination
  - Yes, dealing with both harassment and discrimination
  - Other

# Title IX– Pregnancy

- **General requirements**

# Title IX– Pregnancy

- **General requirements**
  - Title IX regulations also emphasize the need to treat certain pregnant students similar to students with temporary disabilities.
  - In this respect, certain accommodations may need to be provided to students who are pregnant.

# Title IX Pregnancy

# Title IX Pregnancy

- **Regulations**
  - A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient. 34 C.F.R. s. 106.40(b)(1)

- A recipient which operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section shall ensure that the separate portion is comparable to that offered to non-pregnant students. 34 C.F.R. s. 106.40(b)(3).

# Title IX Pregnancy

- **OCR guidance**
  - Under Title IX, it is illegal for schools to exclude a pregnant student from participating from any part of an educational program or activity.
  - This applies to specific classes, extracurricular activities, honor societies, and other activities.
  - Educational institutions must allow students to continue to participate in classes even though they are pregnant.

# Title IX Pregnancy

- **OCR guidance**
  - Educational institutions can allow students to choose whether to participate in special instructional programs or classes for pregnant students. Students can participate if they want to, but schools cannot pressure them to do so.
  - Any alternative program must provide the same types of academic opportunities as the institution's regular program.
  - Educational institutions must allow students to participate even though they are pregnant and not require them to submit a doctor's note.

# Title IX Pregnancy

- **OCR guidance**
  - To ensure a pregnant student's access to its educational program, when necessary, an educational institution must make adjustments to the regular program that are reasonable and responsive to the student's temporary pregnancy status.

  - This includes at-home tutoring or independent study.

## Poll Question

- Have you had to address issues with discrimination within LGBTQ students within the last 5 years?
  - Yes, dealing with harassment
  - Yes, dealing with discrimination
  - Yes, dealing with both harassment and discrimination
  - Other

# Title IX LGBTQ

- **Students and LGBTQ**
  - On February 22, 2017 the Department of Justice and the Department of Education rescinded their respective prior guidance on gender identity issues. The Department of Justice and the Department of Education withdrew the statements of policy and guidance.
  - [DOJ Dear Colleague Letter February 22, 2017](#)

# Title IX LGBTQ

- **Students and LGBTQ**
  - On June 15, 2020, the U.S. Supreme Court held that discrimination on the basis of an individual's status as homosexual or transgender constitutes sex discrimination within the meaning of Title VII of the Civil Rights Act of 1964. See [Bostock v. Clayton Cty., Ga., 140 S. Ct. 1731, 1741 \(2020\)](#).
  - The Supreme Court held: “[I]t is impossible to discriminate against a person for being homosexual or transgender without discriminating against that individual based on sex.”

# Title IX LGBTQ

- **Students and LGBTQ**
  - In 2017, the Seventh Circuit decided an appeal from the U.S. District Court for the Eastern District of Wisconsin. *Whitaker v. Kenosha Unified Sch. Dist. No. 1 Bd. of Educ.*, 858 F.D.A. 1034, 1039-42 (7th Cir. 2017).
- The Whitaker case involved the following topics:
  - Restroom use,
  - Title IX, and
  - The Equal Protection Clause.

# Title IX LGBTQ

- **Students and LGBTQ**
  - Fourth Circuit Court of Appeals decided that restroom policies segregating transgender students and denying transgender students accurate transcripts are unconstitutional and violate Title IX. *Grimm v. Gloucester*, 972 F.3d 586 (4th Cir. 2020).
  - The District argued that it had the ability to create sex-segregated restrooms and that the act in and of itself isn't discriminatory. The court stated that while the act of creating the sex-segregated restrooms may not have been discriminatory – the school board's notion of what "sex" means was discriminatory.

# Title IX LGBTQ

- **Students and LGBTQ**
  - Biden Executive Order
    - The Executive Order makes the policy statement that all persons should receive equal treatment under the law without regard to their gender identity or sexual orientation.
    - The Order bases these policy statements in Title VII of the Civil Rights Act of 1964 and the Supreme Court's recent ruling on that law, *Bostock v. Clayton County*.

# Title IX LGBTQ

- **Students and LGBTQ**
  - Safest route is to assume that students who are transgender are protected under Title IX and to work with these students on an individual basis to accommodate them with respect to the use of restrooms and locker rooms, preferred names and pronouns, school-sponsored activities, and athletics
  - In responding to requests from students who are transitioning or transgender, an institution should consider: (1) institution policies and procedures; (2) how to maintain student confidentiality; (3) how to make the institution's facilities accessible for the student; and (4) possible harassment/retaliation.
