

**The School of Nursing at Platt College
Aurora, Colorado
Simulation Lab Coordinator Position, Full-Time**

The School of Nursing at Platt College in Aurora, Colorado, is seeking a full-time Simulation Lab Coordinator for immediate hire. Platt College offers a Bachelor of Science in Nursing. Currently, the College has approximately 200 undergraduate students and 25 faculty members. The School of Nursing offers a BSN pre licensure program that is approved by the Colorado State Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing (ACEN). Must have a graduate degree in nursing, a current and valid CO RN license or be eligible for licensure in the state, a minimum of 4 years full-time (or equivalent) clinical experience as a practicing registered nurse (Med/Surg Critical Care preferred) and 2 years of full-time experience or the equivalent in facilitating simulation activities in an approved nursing education program preferred.

Application Process: Consideration of applications will continue until the position is filled. The application package must include a letter detailing interest, pertinent experience and qualifications; current curriculum vitae; a full-time employment application (click [here](#) for application); and the names and contact information for at least three professional references. Applications should be addressed to:

Gloria Ohmart EdD, RN. Associate Dean, School of Nursing Platt College, 3100 S. Parker Rd. Aurora, Colorado 80014 or by e-mail to: **hrplattcollege@gmail.com**; fax: **(303) 745-1433**. Background check is required prior to any offer being extended.

Platt College does not discriminate on the basis of gender, sexual orientation, race, color, religion, age, mental or physical disability, veteran status or national origin in educational and employment opportunities, and is committed to the education of a non-racially identifiable student body.
